Our Indian athletes of different disciplines have been trying their level best to excel at International level and have brought laurels for the Country. Some of them have added feather in their cap also in different events. Weightlifting is an event where, with the efforts of Indian Weightlifting Federation, our Iron Men and Women have excelled at International level and bagged Medals in Asian Championship, Asian Games, Commonwealth Games and sometimes ago in Olympics too. It requires more efforts to reach the maximum. In this regard, and with a view to provide opportunity to promising talents of different states, Indian Weightlifting Federation has allotted 15th Youth (Sub Junior Boys & Girls), 56th Men & 32nd Women (Junior) National Weightlifting Championships to Bihar Weightlifters' Association to achieve their goal and speed-up the production of future International Medalist from Bihar too.

Now it becomes the duty of one and all specially the people of Bihar to co-operate generously and make this Championship a grand success.

In the above National Weightlifting Championships more than 800 Iron Men and Women from all over the Country will be seen in action from 13th - 22nd October, 2019. The Championship will be organized at Bodhgaya, "The land of Enlightenment" and steps have been taken for the live telecast of this mega event for all the eight days.

We are going to publish a colorful and attractive "Souvenir" on this occasion. Some copies would be carried by the participants and some volumes would be sent to different associations within and outside the state. Other than Souvenir there will be a good space for hoarding inside the Auditorium and venue too.

We are confident that this occasion provides good opportunity for all the business houses and service providers to propagate their product and services by releasing advertisement orders for publication in this Souvenir.

We hope that you will come forward generously to avail this opportunity and supporting cause of development of Sports in the State of Bihar, particularly this Iron Game.
